

Fix Admix

SBR Latex Admixture specially formulated for further enhancing bond strength, flexibility and durability of tile adhesives

PRODUCT

FIX ADMIX is a high performance liquid latex admixture formulated to mix with TILE FIX, EASI FIX or MARBLE FIX in replacement of water to meet the higher requirement of interior and exterior tiling works. Also used together with FAST FIX to form a two-components tile adhesive for quick-setting tiling works. Suitable substrates are concrete, brickworks, rendered masonry works and existing tiled surface including gypsum wallboards. Ideal for wall and floor installation of marble, slate, granite, ceramic and homogeneous tiles. Do not apply directly to plywood, chipboard, particleboard, decorative laminates or resilient flooring.

TECHNICAL DATA AND PHYSICAL PROPERTIES

Base Material	Modified SBR Latex
Colour	Milky White
Density	Approx. 1 g/cc

For more technical information and test results with TILE FIX, EASI FIX, MARBLE FIX and FAST FIX, please refer to E•MIX Sales Personnel for assistance.

RECOMMENDED MIX
